GARDENS OF THE BLUE RIDGE

E. C. ROBBINS

*Special Ornamental Nurseryman
and Collector*

Ashford, McDowell Co. NORTH CAROLINA

Member American Association of Nurserymen

 **NOTICE CHANGE OF ADDRESS.** Mr. E. C. Robbins begs to announce that he has removed Gardens of the Blue Ridge, from Pineola, N. C. to Ashford, McDowell County, N. C., where he has enlarged facilities for serving his clients, and requests that all correspondence in the future be sent to the new address.

The celebrated Blue Ridge Mountains, near Ashford, N. C.

Note to Customers

MY NEW LOCATION

In the Blue Ridge Mountains, "the most beautiful mountain region of the continent," in western North Carolina, nearly 4,000 feet above sea-level. My new business headquarters is **Ashford, McDowell County, North Carolina**, on the famous Scenic Clinchfield Railroad.

All offers of stock are made subject to conditions beyond my control

PACKING AND GRADING

Will be done in the most careful way. Boxing and burlapping charged at cost. **Certificate of Inspection attached to all shipments.**

QUOTATIONS

This list cancels previous offers and prices quoted are net and not subject to discount except by special agreement.

REMITTANCE OR REFERENCE

Should accompany orders from unknown correspondents. Discount of 5 per cent on cash orders. All bills due and payable 30 days from date of invoice, unless otherwise arranged.

SHIPPING INSTRUCTIONS

Should always be given fully, unless you prefer to leave to our best judgment. In this we assume no risk, our responsibility ceasing upon receipt of signed bill of lading by forwarders. **All claims for damages in transit must be handled by consignee.**

CLAIMS

All claims for errors must be reported upon receipt of goods and will be rectified promptly. Unless this is done, I can accept no responsibility of any kind.

ALL ORDERS

Are accepted and filled on these terms. Unequaled quality, quantity, service, and low price awaiting first come, first served.

MY SUPPLY AND FACILITIES ARE UNEQUALLED. Grading and packing always held to the highest standard in quality, with more than thirty-three years' constant experience growing and handling hardy native ornamentals. Correspondence invited.

Entrust your orders for Native Broad-leaved Evergreens and other plants of the Southland to our experience and unequalled Collecting Fields and permanent organization. Beware of amateurs springing up like mushrooms over night.

Gardens of The Blue Ridge

**Hardy and Rare Trees, Shrubs, Ferns, Vines
and Herbaceous Perennials of the Blue
Ridge Mountains**

❖

To My Customers and Friends:

Here is my catalog for 1925-26, listing Hardy and Rare Trees, Shrubs, Ferns, Vines, and Herbaceous Perennials.

Up here among the Blue Ridge Mountains of North Carolina, 4,000 feet above sea-level, in the greatest natural garden spot of the East, I have built up splendid stocks of this native ornamental plant material. For thirty-three years I have specialized in growing the best and hardiest American Trees, Shrubs, Vines and Bulbs, developing them to even greater beauty, and, by scientific methods of handling, putting them within the reach of garden lovers throughout the country. By working hand in hand with nature, I have made it possible for you, on your own grounds, to reproduce the floral splendors for which the Blue Ridge is so famous.

For Permanent Planting

Let my Native Nursery Stock add immediate and permanent beauty to your grounds. Would you extend your garden pleasure through every month in the year? Then write to me. My experience, my plants, my reputation for only the best, grown right, shipped right, are all right at your disposal. My prices are reasonable to the extreme, including all packing and delivery to our station.
